

Sinclair
Broadcasting's
decision to force
their stations to
air an anti-Kerry
documentary days
before the election
is a clear AND
APPALLING example of
the dangers of media
consolidation.

Their proposed
enforced airing of
this program is an
insult to the
American public and
to the system of
democracy on which
our country is
built.

More than ever, the
United States now
acts on the world
stage, with people
of every nation
watching. What we
broadcast is seen
the world over.
Let's let the world
know that we believe
in and enforce our
system of democracy,
fairness and equal
opportunity.

Please do not allow
Sinclair to air
"Stolen Honor" and
please work to
reduce large
corporate ownership
and controil of our
media.
